

“PRAYING FOR LOST LOVED ONES” VIDEOS

My Mother the Intercessor

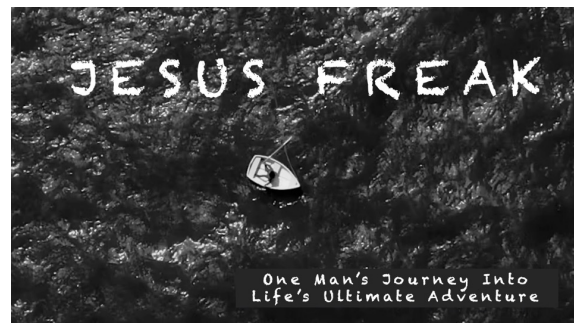

<https://vimeo.com/904291265?share=copy>

My mother was an intercessor. She stood alone, calling out for the broken lives of her husband, children and hundreds more. Facing many challenges in her young life, she was driven to the only One who could help a young wife with an unfaithful, yet gifted, husband. She shared her dilemma with her father. He quipped, “Does he beat you?” Does he give you money?” She could have fatalistically accepted her abandoned position. Instead, in time, she would take her plight to a higher power, a perfect Father and Husband who would become the love of her life.

“Jesus Freak” – If God Could Save Me?

<https://vimeo.com/659537428?share=copy>

By the time I was 15 years old I hated God. It wasn’t His fault, but I blamed him for the hypocrisy I saw in those who claimed to know Him. I then spent the next 7 years as an adamant, in your face, atheist. In the years to come, I was responsible for two abortions, got lost in drugs, Eastern Religions, and wound up being suicidal for six months. When I finally surrendered my life to Jesus, He set me free and made me alive.

STAND & FIGHT For Those You LOVE

Stand and Fight For Those You Love

<https://vimeo.com/533515817?share=copy>

Years of compromise have left much of the Church powerless; a shell of her potential. Having loved lesser gods, she entangled her heart, pursuing meaningless pleasures. Bound by the cares of this life, divine opportunities are squandered. Who will rescue us from this half hearted slumber? God is calling the Elijah’s of this day to move in power. The John the Baptist’s to stand in courage. The Esther’s who, if need be, would give their lives.

The Cruise or the Cross – Titanic’s Choice

<https://vimeo.com/533515817?share=copy>

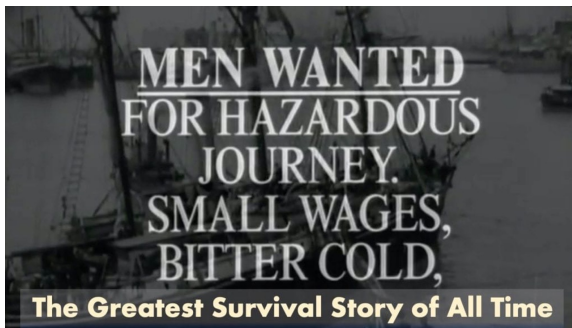

Are you preparing for the luxury liner or the life boat? Are you betting your future on the fleeting comforts of the cruise ship or the guaranteed safety of a tiny boat? The luxury liner will sink. Only those taking refuge in the lifeboat will be spared. Everything that can be shaken will be, until our lives, as God intended are unsinkable.

Coming Cultural Storm Will Be a Perfect Storm

<https://vimeo.com/559508101?share=copy>

A cultural storm of epic proportions is brewing. It is a perfect storm. The convergence of many storms into one giant storm. No one will be spared. It will engulf the whole Earth. So there will be nowhere to hide, no safe corner other than the Chief Cornerstone. No peaceful place, besides the Prince of Peace.

The Greatest Survival Story of All Time: Ernest Shackleton

<https://vimeo.com/904284664?share=copy>

It's been called the Greatest Survival Story of all time. In late 1914, polar explorer Sir Ernest Shackleton set sail with a 27 man crew, many of whom had responded to the following recruitment news. "Men wanted for hazardous journey, small wages, bitter cold, long months of complete darkness, constant danger, safe return, doubtful. Honor and recognition in case of success." 5,000 men responded. 27 were chosen. Expedition's goal was to cross the Antarctic continent.

Leaving a Legacy - The Gladiator

<https://vimeo.com/533516979?share=copy>

What we do in life, echoes in eternity. We each leave a legacy on Earth and into eternity. We have each received an inheritance from our Creator. The Father has given us a unique part of who He is. We came from Him, onto Him we shall return. We were created to be fruitful and reproduce what God has given us. To leave a legacy for the next generation. It is a deepest desire of our hearts.

Greatest Boxing Comeback - James Braddock

<https://vimeo.com/904281750?share=copy>

You can't see who a person really is until they're knocked down. Their response when things are going well, is deceiving. But when they fall on their face, you see who they really are. It was the middle of the Great Depression. Americans were struggling under the weight of economic heart. Many were unemployed. James J. Braddock was no exception. He went on to make one of the great boxing comebacks in history.

The Walk – Riddle of Spirit & Truth – Twin Towers

<https://vimeo.com/904280263?share=copy>

One of the greatest challenges facing this generation is solving the riddle of spirit and truth. Jesus told us clearly it would be, when He said, "But the time is coming—indeed it's here now—when true worshipers will worship the Father in spirit and in truth." (John 4:23, NLT) Jesus then said, "The Father is looking for those who will worship him that way." It is a riddle that each of us is asked to solve.

The "Smartsville" Revival: The Jesus Movement

<https://vimeo.com/905056369?share=copy>

Smartsville, California is old gold rush town in northern California. In late 1971, a band of newly converted hippies purchased the rundown Smartsville Hotel and other adjacent buildings. A Christian community, called Morning Star Ranch, was born. Throughout the early and mid-70s, hundreds of nomadic young people, like myself, passed through Smartsville, got saved, and plugged into life as Jesus Freaks. At the height of this mini-revival, it was common to baptize 10–15 people every Sunday.

My Father Was the Toughest Guy On the Block

<https://vimeo.com/905065295?share=copy>

It's been called the Greatest Survival Story of all time. In late 1914, polar explorer Sir Ernest Shackleton set sail with a 27 man crew, many of whom had responded to the following recruitment news. "Men wanted for hazardous journey, small wages, bitter cold, long months of complete darkness, constant danger, safe return, doubtful. Honor and recognition in case of success." 5,000 men responded. 27 were chosen.

The Expedition's goal was to cross the Antarctic continent.

The Origin of Universe – Science vs. Science Fiction

<https://vimeo.com/905060317?share=copy>

Scientists now say the universe is made up of 4% combined matter and energy. The rest, 96% is invisible. An extraordinary scientific conclusion which the Bible 2000 years ago explained in clearer, more absolute terms "For by Him all things were created that are in heaven and that are on earth, visible and invisible, whether thrones or dominions or principalities or powers. All things were created through Him and for Him." (Col. 1:16-17)

Bruce Almighty – God of the 2nd Chance

<https://vimeo.com/905062741?share=copy>

All of us want a 2nd chance. And the best news is: God wants to give it to us. Another opportunity to learn how to live—to be "Born Again," to stop making ourselves the center of the universe. To stop insisting on getting OUR expectations fulfilled, when God has a much better plan. It

will take faith to receive it and patience to wait for it. We'll need to swat away the flies of disappointment and discouragement. But, in the end, we'll look back and see God was always worth waiting for.

STAYING AWAKE: The Only Hope In This Deceptive Age

<https://vimeo.com/905435170?share=copy>

Are you being shaken? I know I am. I believe God shakes us to awake us! In fact, great shakings usually happen right before great awakenings. The Bible says, "Awake, O sleeper, rise up from the dead, and Christ will give you light." (Ephesians 5:14, NLT) I want to live fully awake. I want to die fully awake. I want to pray what's on God's heart, for only then will my prayers be answered. God's will is not limiting. It is the invitation we have each been waiting for, to the best of all possible options for our lives.

Conversations That Never End

<https://vimeo.com/904285484?share=copy>

Where do these hostile thoughts come from? These painful memories so unresolved? Why do they besiege me? How can I find refuge? My mind is battered by conversations that never end. Run away emotions, assault at will; a plague of doubt. Foreign armies invade my inner life. Self hatred, depression, a legion of lies batter territorial spirits seek to possess all that is precious to me. Past conversations that never ended, with those I love. With those I look too. With those who I failed, and failed me. God deliver me.
